

December 1, 2020

Welcome to our 15 Week Winter Clinic, we are so glad you have chosen us to help improve your golf game. We are dedicated to your long-term improvement and enjoyment of the game. Our goal is to give you quality instruction while providing you with a fun, productive experience.

Winter Clinics run for 1.5 hours and offer students a mixture of individual instruction and practice time. Please take note of the following policies and procedures:

Inclement Weather: Students will be notified if classes are cancelled due to bad weather. In addition, we will also post a notice on our website. Please complete the attached contact form noting your preferred method of contact during the 15 week clinics. All classes cancelled due to weather will be made up during the scheduled program.

Make up classes: Throughout the winter, most people will probably miss at least one class for a variety of reasons (illness, vacation, work, etc.). Please let us know in advance, when possible, if you are unable to attend a class so that we can plan accordingly. We have built in an additional two weeks for make-up classes. At the conclusion of the program, there will be no additional make-up classes offered.

Students will be required to bring their clubs each week, as we do not have space to store clubs. You are welcome to have your bay door open or closed. The decision is yours.

Students will receive 20% off in Matches Tavern throughout the 15 Week Winter Clinics. A discount card is included in this packet. Please check our website for current Matches Tavern Hours of Operation.

We hope that you have an enjoyable time and if you have any questions, please do not hesitate to ask.
